T/A & F

P.S. Have a great summer & life!

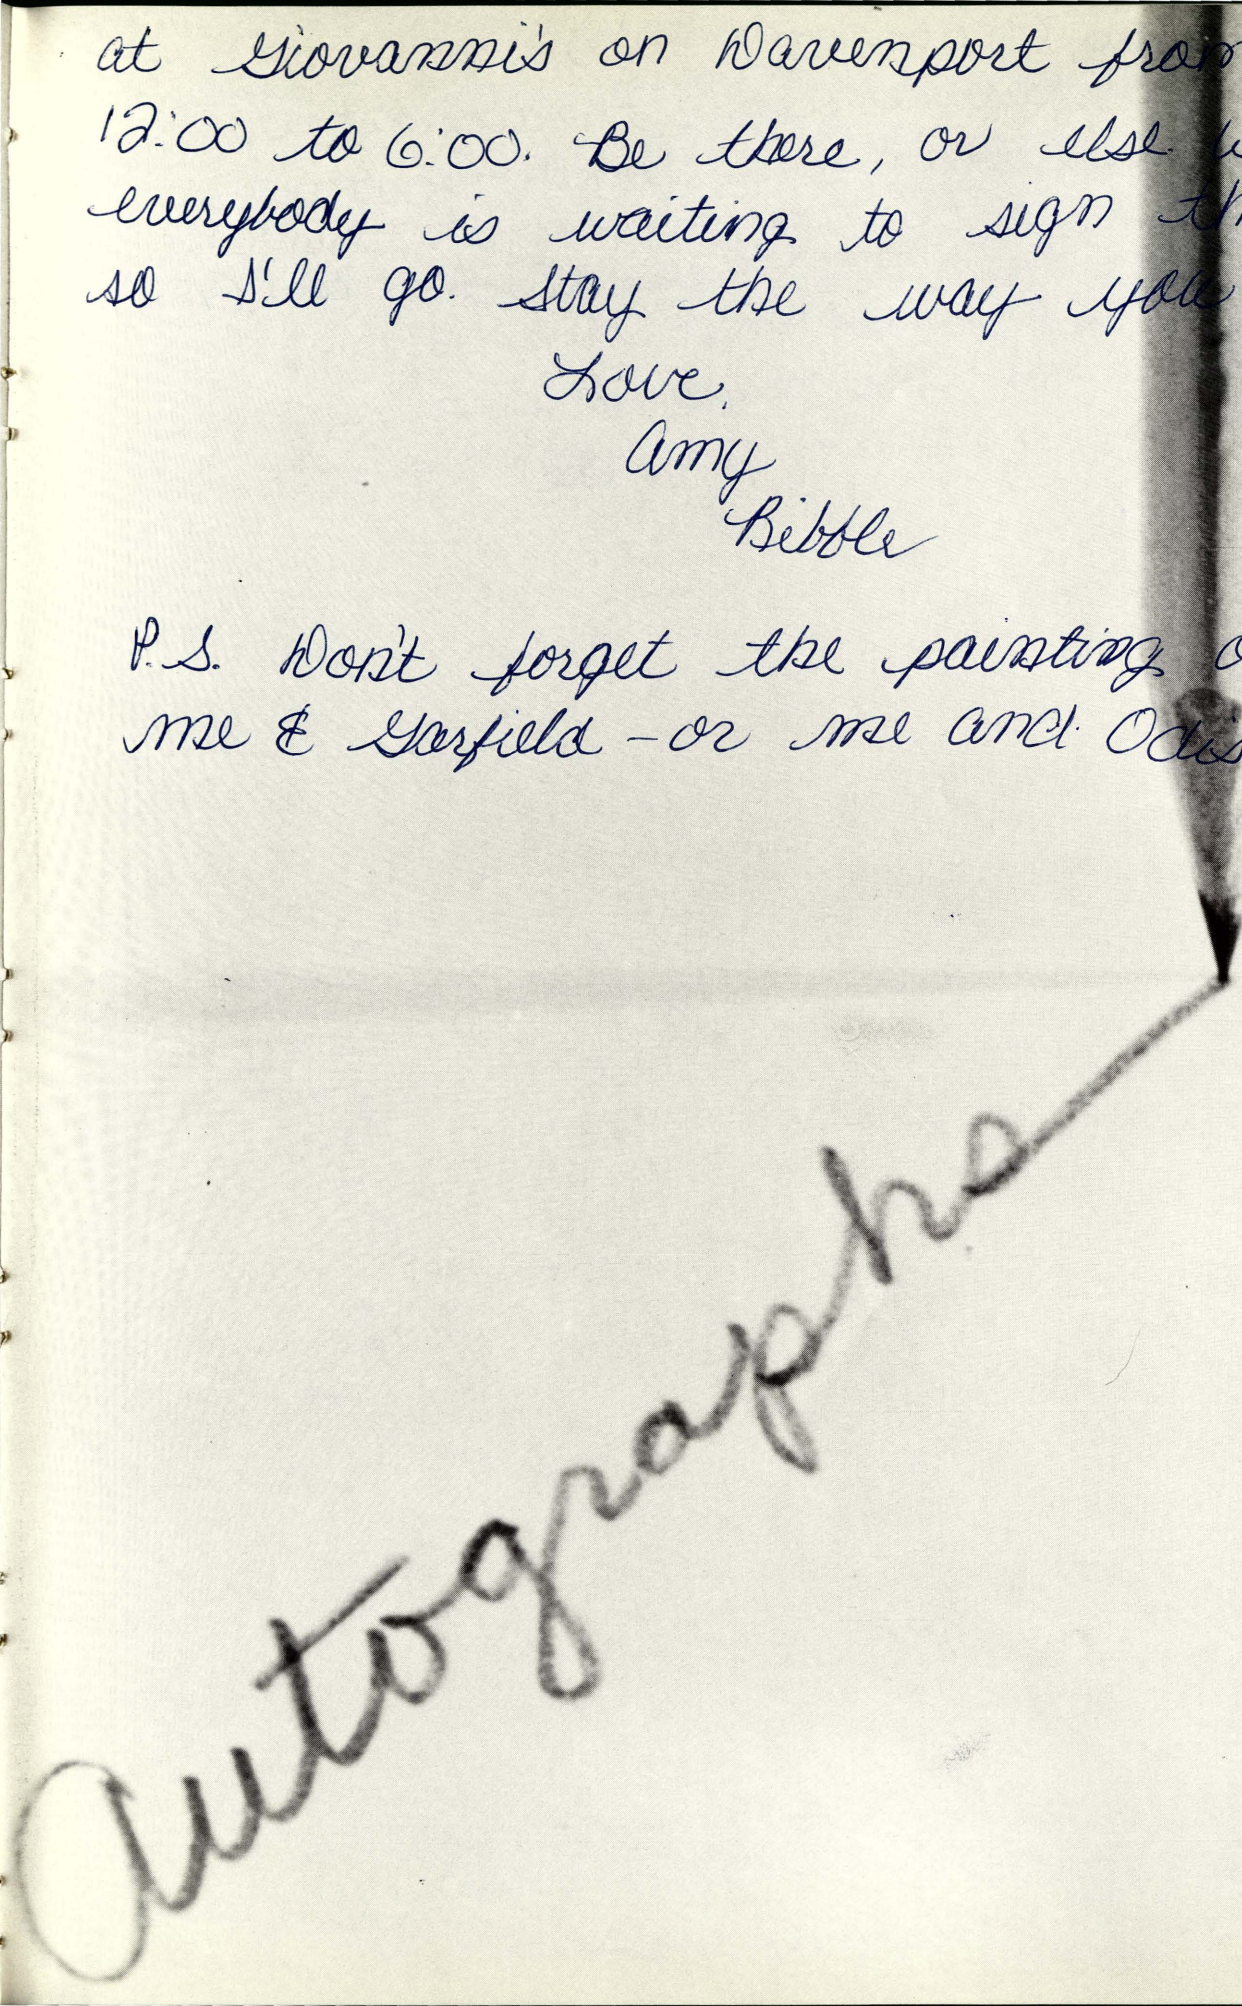
Mr. Gonzales,

My favorite teacher, and always will be. (Unless someone like me comes around - Ha, Ha.) You've be great to me all the time, except when you won't tear up retarded pictures of me!!!!!! I'm looking foward to next year - Spanish, but not any other classes!!!!!! I wish you would hurry up and paint that picture of me that you promised for... too long to remember. You should really paint one of me with Garfield's arm around me, and surprize me next year (hint!) Or one with Odis would be fine!!!!!! Did I ever tell you that you can be a pain in the _____ when you're in a bad mood? Well, if I didn't, I'll say sweet and I wont. I'll never forget when you made a poor girl like me waste all of my paper writing - I will not chew gum in Mr. Gonzales room!! Boy that got me mad, but you had to do it - I guess! Don't forget the Cheerleading Car Wash on Sunday, June 5, 1983

at Giovanni's on Davenport from 12:00 to 6:00. Be there, or else. Well everybody is waiting to sign this, so I'll go. Stay the way you are.

Love,
Amy
Bibble

P.S. Don't forget the painting of me & Garfield - or me and Odie!!!!!



Mr. Gonzales, (the one and only!)

My favorite teacher throughout all my Jr. high years here. Sometimes it was impossible, but I lived through it. I think! Remember when we all flunked that test (49%) well I just wanted to get you mad! haha!

This is impossible to use up all this space.

Well I had a fun time. The

Hope you never forget the fun we've had in the last 3 years. Even though we've had our differences, I hope we always stay good friends. Take care of my brother for me next year. Believe it or not, he's worse than me. Maybe we can play some tennis this summer, I must warn you of my backhand though. Can you believe I beat Martina Navratilova? HA! HA! To Mr. Gonzales, Hi, it's me, the girl [illegible] you all of the trouble in the last three years. Sorry to be such a brat, but for some reason your a perfect person to play jokes on. Please believe that I never meant any of the bad things that I have said or done to you — most of the time. HA! HA!

Youire a great teacher and a neat coach. By the way, sorry I didn't win the quarter this year, maybe next year, huh? Don't lose faith in me, someday if I get my act together you may see me in the big games (Olympics), or at least Arthur Hills team.

Youire one of the nicest and greatest persons I've ever met, and I thank you for everything youive done for me. I really do appreciate it, even though it may not seem like it. I only hope that someday I may return to you what you have given to me.

I can't tell you how relieved I am to know you won't be taking anymore of those funny pictures of me anymore. Just kidding, I had a really fun time. And I want the ones of me and [illegible]? Are you going to wear a [illegible] 9-A? I would make fun of [illegible] gonna ask your wife why [illegible] you up too.
